gkey_vibraphone.keymap

9 layers · 23 keys · 1 combos

every arrow starts on the key that triggers it

how to read

- pink key = press it to go to another layer
- violet key = press it to toggle a layer on and off
- red key(s) = held down while you are on this layer
- solid arrow = hold
- dashed arrow = toggle / go to / one-shot
- combo = press the red keys together
